

# Capability Statement

[www.njfsm.com](http://www.njfsm.com)

At Fire Safety & Maintenance our mission is to provide the highest quality Security Systems and Fire Alarm Protection. We have been in business since 2015 and we bring 30+ years of experience in the Security and Fire Protection industries to our clients. We work together with our customers to design and customize our systems to meet their specific needs. We manage and maintain all aspects including the installation, maintenance and monitoring of our systems. We also handle all required inspections to ensure our systems are compliant and meet all local and national codes assuring a safe working environment.
